

Standard Finish Colors

Eleven factory standard finish options for Elevated Entries iron entry doors. All finishes are hand-applied over a powder-coat base coat, tested to AAMA 2605 Superior Performing equivalency (see the Finish & Glass Spec Sheet for the full report).

HOW TO ORDER A FINISH

Specify the finish number on the quote sheet (e.g. "Finish: #1"). All eleven options price the same. #2 is not offered by our supplier. Color appearance varies with lighting and photography. Order a physical sample before final selection — request through your Elevated Entries rep or the dealer portal.
